

NEARBY ACCOMMODATION

BELOW YOU WILL FIND A LIST OF THE ACCOMMODATIONS WE SUGGEST FOR YOUR GUESTS WHO DO NOT SLEEP AT THE CASTLE.

THE LIST IS DIVIDED INTO 4 AREAS:

1. **PETRATA HILL**: along the roads leading to our castle there are various accommodations that can accommodate your guests. They are mainly farmhouses and BBs and are NOT walkdistance from the castle.
2. **ASSISI CITY CENTER**: these are the hotels located in the historic center of Assisi. We think that they can be an excellent solution for your guests because they will have the opportunity to experience the center of Assisi.
3. **SANTA MARIA DEGLI ANGELI**: it is a village located a few km from Assisi, on the plain and there are two hotels/country house (one with a swimming pool) that can accommodate many people. This village is where the train station is located.
4. **PERUGIA**: about 30 minutes from the castle is the largest Umbrian city where there are some beautiful hotels. Perugia is also a beautiful city and there is the possibility of sleeping in the centre.

These are just a few suggestions, Assisi and other cities are popular tourist destinations and there are many other apartments, guesthouses, BBs, hotels that your guests can book.

TRANSPORT: on the last page you will find general information on transport from the accommodation to the castle
